

Protection of Personal Data

In the Census@School platform, the pupils fill in the questionnaires anonymously, thus preventing disclosure of their identity.

Access to teachers and pupils is authorised via Google Forms in a controlled way. The collected data (questionnaires, information on the teachers, etc.) are kept in a server of ELSTAT.

Only authorised personnel of ELSTAT has access to the aforementioned data, in accordance with the law. The data are used only for the extraction of aggregate statistical results, which can be published on the platform, the website of ELSTAT, on ELSTAT's social media accounts, etc.

ELSTAT places a lot of emphasis on the observance of privacy and the protection of citizens' personal data. ELSTAT implements high-quality security procedures in line with the legislation on the protection of personal data, unswervingly observing statistical confidentiality.
