Notes:

* Attiki corresponds to the Region and includes all Regional Units that are part of it.

** Extraordinary transactions were recorded in the data. Therefore, they are not published as they are not comparable.

The Regional Units with a contribution to the total turnover of the year 2025 greater than or equal to 1.0% are highlighted in bold.

- Generally** The statistical data presented in this announcement have been compiled on the basis of the linking and processing of primary data from the following sources:
- The final Statistical Business Register of ELSTAT of the reference year 2023.
 - Administrative registers of enterprises, of the reference years 2024 and 2025.
 - Administrative transactions files (tax, etc) of the reference years 2019 to 2026.

In particular the following primary data have been used per source:

- Active enterprises and the economic activity class from the final Statistical Business Register of the reference year 2023.
 - The economic activity class for the enterprises that started their activity after the reference year 2023, from administrative registers of enterprises of the reference years 2024 and 2025.
- Moreover, within the framework, enterprises in the section Accommodation and Food Service Activities, that were established in 2024 or 2025 and recorded an annual turnover of at least 500 thousand euro in 2025 were included, in order to improve the coverage of this section in the produced statistics.
- Income data from administrative transaction files of the years 2019 to 2026.

It is noted that the geographical classification of enterprises is based on the location of the enterprise's headquarters.

Statistical classifications For the economic activities the European statistical classification of economic activities [NACE Rev.2](#) is used.
